## Explore Membership in the IES

The Illuminating Engineering Society of North America is the recognized technical authority on illumination. The Society publishes nearly 100 publications that serve as the standards for the lighting industry. IES members are a diverse group—engineers, architects, designers, educators, students, contractors, distributors, utility personnel, manufacturers and scientists. To learn about what IES membership can mean for you, visit: [www.ies.org](http://www.ies.org)
